

# Black's Peaches

[blackspeaches@aol.com](mailto:blackspeaches@aol.com) | (803) 684-2333 | 1800 Black Highway, York, SC 29745

Dear Teachers, Parents and Guardians,

We are excited to have your child's class participating in a field trip to Black's Peaches Farm, located at 1800 Black Highway in York, SC 29745. This trip promises to be an enriching and fun experience for the students, complementing our curriculum for the 2025-2026 school year.

**Purpose and Educational Value:** The purpose of this trip is to provide kids with hands-on fun on our century-old farm. When your child arrives, each class will work through exciting 10-minute interactive stations including a hayride, corn maze, apple education, cotton education, pumpkin education, farm playground, corn shelling, story time, barn games and cow milking.

**Details:** Meals: Afterward, kids can munch on a school lunch in our picnic shelter then savor a cup of vanilla ice cream.

On Tuesday-Fridays we would love for teachers and additional attending adults to enjoy lunch from our grill. Check out the menu on our website ahead of time at [www.blackspeaches.com](http://www.blackspeaches.com). Please place your order when you arrive so your meal will be ready for you at the picnic shelter during your students lunch time.

**Safety and Supervision:** The safety and well-being of your child is our top priority. Adequate supervision will be provided, with an appropriate number of teachers/chaperones accompanying the students from your school and our farm has staff at each station. All activities are planned with student safety in mind, and emergency contact procedures are in place.

Please remember that your child has been looking forward to this day for some time, and we aim to respect their experience by ensuring a smooth and enjoyable time with their classmates. To facilitate this, we kindly request your cooperation with the following housekeeping items:

1. For safety reasons and to maintain an organized schedule, we ask that all parents and siblings remain with the appropriate class at all times.
2. Additionally, we encourage limiting excessive chatter and distractions to help everyone focus on the field trip, allowing our staff to fully engage with your child.
3. Our farm playground is a highlight for many students and is specifically designed with their size and abilities in mind. Therefore, we kindly request that only students play on the playground to ensure safety and preserve the equipment for future use.  
No Adults on any equipment.

We hope that this field trip will be a memorable and valuable educational experience for the students. Thank you for your support and cooperation in making this event successful.

Thank you and we look forward to having y'all!

Sincerely,

Beth Black White
